

WEEKLY UPDATE

June 26, 2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Canton Oaks has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working very hard to make sure they are safe, we also want to make sure they are having some fun! Our Activity Director, Victoria Nappier, continues to provide activities while practicing social distancing, by providing most activities in each resident's room, including: church services, movies and music via television Channel 2, Hall Bingo, and one-to-one visits.

We still encourage you to stay in touch with your loved ones through FaceTime, emails, letters and phone calls. Please let us know if you are having trouble connecting with your loved one and we will be more than happy to facilitate your communication.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19..

As always, please contact us directly 903-567-0444 if you have any questions or concerns.

Sincerely,

Terrie Harrison

Administrator
